

# Patty's Plants

## **SPLIT-LEAF PHILODENDRON *MONSTERA DELICIOSA***

**The Monstera Is a very easy houseplant that needs space to grow. The leaves on a young plant are not split, as at grows the leaves become larger and split. This is a native to the jungles of Mexico.**

**It will grow in very low light as well as bright. It does not like direct sun.**

**Let the soil dry out between watering. It does not like to be wet.**

**The temperatures should be 60-70\*.**

**Prune if the plant gets to big for your area.**
