

Available at Patty's Plants

Certified Organic Flowers	Grown by W & M Land Corp Organic Nursery
French Brocade Marigold (<i>Tagetes patula</i>) 	Double ruffled orange and red blooms all summer. Use as a companion plant to repel insects and control nematodes. Drought tolerant. Gorgeous and easy.
Jasmine Scented Flowering Tobacco (<i>Nicotiana glauca</i>) 	Star-shaped white blooms, fragrant only at night. Attracts magnificent hawk/sphinx moths and other nocturnal pollinators. Surround your porch with their intoxicating fragrance or plant in containers and place by your bedroom window.
Pastel Dreams Zinnias (<i>Zinnia elegans</i>) 	Drought tolerant, great for bouquets, easy to grow. One of the most popular flowers. 3-4" blooms attract butterflies. They last long as a cut flower.
Rainbow Loveliness (<i>Dianthus barbata</i>) 	Gorgeous fringed, multicolored blooms. Heady Jasmine scent. Cut back in late July after the flowers fade for another small display of flowers. Perennial
<u>Scented Geraniums</u>	Fragrant and edible
Coconut (<i>Pelargonium graveolens</i>) 	Aromatic with fuzzy leaves. Fresh coconut scent used for tea, breads and sugar. Tiny deep pink flowers early summer through frost. Semi-trailing perfect for hanging baskets and containers.
Chocolate (Pelargonium 'Chocolate Mint') 	Smells like mint. It gets its chocolate name from the dark center in the leaf
Rocket Mix Snapdragon	Mixed colored fragrant flower spikes bloom until frost if you continue to deadhead them. . Excellent cut flower.
Texas Hummingbird Sage (<i>Salvia coccinea</i>) 	Drought resistant 2-3' plants have bright red flower spikes loved by hummingbirds and other sought after pollinators. Beautiful annual and easy to grow. Plant with Zinnias for a maintenance free annual butterfly and hummingbird garden.
